*Kerovit By Kajaria is a reflection of purely luxurious design aesthetics and the highest standards of quality. Charming the user with utmost convenience and relaxation, Kerovit by Kajaria is an experience of redefined and freshly curated craftsmanship. Attuned to the highest quality and regulatory standards, Kerovit caters to all bathroom requirements of the user. The zestful collection of Faucets, Sanitaryware, Showers, Bathroom Furniture and Accessories is an iconic expression of Gen Z.*

## Technology that saves water.

At Kerovit, we believe in making bathrooms that every individual desires. But at the same time, we make sure that the environment is protected and our practices remain green and sustainable. We take responsibility for the planet and are in pursuit to make it a better place for everyone. Through such green innovation technologies, we make an effort to help preserve this planet for generations to come.

Being GreenPro certified ensures that we are at par with international standards and protocols for green products. GreenPro is a product certification that helps an environmentally conscious customer to make an informed choice when buying eco-friendly products. Our sustainable approach toward various manufacturing processes allows us to deliver efficient and exquisite Faucets & Sanitaryware. We follow the principle of zero liquid discharge (ZLD) which is a treatment process in which the plant discharges no liquid effluent into the surface waters, eliminating the environmental pollution that is associated with treatment. It also makes the best use of reusing, recycling, and wastewater management which helps in contributing to water conservation.
